

PLASTIC TRUCK SEALS

Strong, durable plastic truck seals are the ideal way to seal and secure your trailer and van doors!

AS LOW AS
\$78.50
PER THOUSAND

- **Plastic seals resist rust and corrosion**
- **Inexpensive**
- **Seals can be customized with your company identification lettering. Call for details.**
- **We stock non-custom seals for quick delivery**

Correct method for locking the Plastic Truck Seal

1. Insert arrow head into locking barrel as far as it will go until you hear a click.
2. Tug on seal to insure it is fully locked.
